## REPORT ON OFFICER'S DUTIES IN REGARDS TO OSWALD'S MURDER

## E. R. BECK - #45

On Sunday, November 2h, 1963, I pot to the office at 6:30 MV.

At shout 9:30 AM, Det. Teavelle, Oraves, and Ehority went to the Jail
to bring Gavald to Cast. Frita's office. Det. Brown, Montgemery and myself waited at the third floor Jail elevator door and helped get Oswald
to our office.

At about 11:10 MM, Capt. Fits told Dets. Dhority, Brown, and swelf to go to the basement and get the care set up for Oweald's transfer. He told Det. Bhority to put his ear by the Jail door, and for me to drive the lead car. Capt. Fritz told me that we would go to Commerce, East on Commerce to Freston, North to Main, then West on Main, and when we got to the entrance of the Jail on Main, I was to drive past the entrance, so that they could drive into the Jail entrance.

When we got to the basement, we had some trouble liming up the care because of the TV comerce and the press. Detective Ehority was backing Cept. Frits's car into position. I was standing just to the rear of the lead car telling Det. Brown to back up just a little more, when a shot was fired, and I ran back and helped Lt. Swain get the crewed back. I went into the Juli office, and Owald was lying on the floor on the North side of the office and several officers had a man on the floor that I later found out was Jack Buby.

An ambulance errived and Oswald was placed in the ambulance, and Det. Graves, Dhority, and Leavelle went in the ambulance to Farkland. I got my

car and Capt. Frits got in the front seat, and Tet. Montgomery and Brown in the back, and we went to Parkland Hospital. We went to Emergency Room, and the doctors and nurses were working on Gowald. Shortly after we arrived, Capuald was taken from the Emergency Room to the Operating Boom on the Second Hoor. Capt. Frits and I left the second floor and returned to our office, along with Det. Montgomery.

After we had gotten back to the office, Jack Ruby was brought to Capt.
Frits's office at 3:25 FM, and I helped other officers get him from the Jail
Elevator door to our office. After Capt. Frits talked to Jack Ruby, I helped
other officers get him back to the glevator door.
